Symbol	Description
(1046)	Commencement data are approximate and are based upon the total number of acceptances registered in the eRecruitment system
(1044)	Data based on number of job offers made to PGY2 doctors via SA MET centralised process Additional employment occurs outside of this process A total of 667 HMO2 positions were included in the computer matching process and 644 positions were matched Of the 644 matched positions 18 candidates declined their Victorian offer All HMO positions (i e 667) were filled either from candidates who participated in the Match (and were unmatched) or via direct recruitment of a health service This figure is based on incomplete data and only reflects the number of PGY2 positions advised by health services to include in the Victorian HMO match
(1039)	A total of 708 HMO2 positions were included in the HMO Computer Match Of these 689 positions were matched and 17 candidates subsequently declined their offer A further 36 candidates were offered and accepted a HMO2 position In addition 34 positions were directly recruited by health services
(1040)	New data checking processing has enabled cleaner data and ensures the capture of PGY2 only
(1041)	This figure only reflects the number of PGY2 positions advised by health services to include the Victorian hospital medical offer match Health services recruited at least 28 positions outside of the match
(1042)	Approximately 913 positions are accredited as suitable for PGY2 candidates in Victoria Not all of these positions are included in the HMO match This figure reflects the number of PGY2 positions in the HMO match and other positions reported to the PMCV Health services may have recruited additional PGY2 positions
(1043)	Victorias PGY2 data only accounts for positions included in the Victorian HMO Match - recruitment to PGY2 positions also occurs in Victoria outside the match approximately 900 positions have been accredited in Victoria for PGY2 level doctors
(1047)	Victorias PGY2 data only accounts for positions included in the Victorian HMO Match - recruitment to PGY2 positions also occurs in Victoria outside the match approximately 950 positions have been approved as suitable for PGY2 training
